

## **Tuition Refund Plan**

In order to protect both our families and the school in the event a student withdrawals during the school year, Galloway requires the purchase of tuition insurance (Tuition Refund Plan) for families who choose a payment plan other than the one payment (Plan A) and semi-annual payment (Plan B) plans. Terms and conditions are detailed in the Tuition Refund Plan document below. The insurance premium is .8% of the annual tuition amount; the amounts are calculated below based on full tuition. Premiums will be billed to the students account in July and are payable in one installment.

### **Premiums for 2021-22**

Pre-Kindergarten	\$140.00
Kindergarten through Fourth Grade	\$205.00
Fifth through Eighth Grade	\$224.60
Ninth through Twelfth Grade	\$239.60

By signing the enrollment contract, the Parent authorizes Galloway to process and collect any claim for payment that Parent is entitled to under the Tuition Refund Plan. The Parent understands that any amounts paid by the Plan will be credited to the Student's account. Any overpayment will be reimbursed to the Parent and any underpayment will be billed to the Parent and is payable on demand.

# Why do you need the Tuition Refund Plan?

Your financial obligation to the school is for the full annual tuition as stated in the school's enrollment contract. The school cannot refund tuition or cancel unpaid obligations if your child is forced to withdraw during the academic year.

If your son or daughter withdraws, the Tuition Refund Plan will pay benefits (subject to the terms of the policy and the amount insured) to the school, which provides substantial assistance in meeting your financial obligation.

Every year, thousands of students must withdraw from private schools. The following are examples of reasons why:

- **Family Move**
- **Change of Objective**
- **Injury or Sickness**
- **Death of Parent or Student**
- **Disciplinary Dismissal**
- **Scholastic Difficulties**
- **Financial Problems**
- **Mental Health Conditions**
- **Job Loss**

This leaflet explains how to protect your tuition commitment against unforeseen withdrawals or dismissals. The Plan provides substantial insurance protection at a modest cost.

# What the Plan covers

## **Withdrawal or absence for medical reasons**

- The Plan will pay 100% of the unused yearly insured fees, provided the student's injury or sickness forces the student to withdraw from school or medical absence lasts for 31 or more consecutive days. Benefits are paid retroactive to the first day of medical absence.
- The Plan will pay 60% of the unused yearly insured fees, provided the student's mental health condition, as referenced in DSM V, forces the student to withdraw from school or medical absence lasts for 31 or more consecutive days. Benefits are paid retroactive to the first day of medical absence.

## **Withdrawal for other than medical reasons**

(Examples include: moves, change of objective, financial hardship and voluntary withdrawals.)

- The Plan will pay 60% of the unused yearly insured fees provided the student has withdrawn from school after attending more than fourteen consecutive calendar days beginning with the student's first class day of attendance in the academic year.

## **Dismissal from the school**

- The Plan will pay 75% of the unused yearly insured fees provided the student is dismissed from the school after attending more than fourteen consecutive calendar days beginning with the student's first class day of attendance in the academic year.

## Definitions and conditions

- The “academic year” (referred to as “period of coverage” in the policy) upon which benefits are based consists of the actual calendar days in the school year (including weekends, holidays and vacations) beginning with the first day of formal academic instruction (excluding pre-season athletic practice, orientation, registration and graduation days) and ending with the last day of formal academic instruction, including examinations.
- “Withdrawal or absence for medical reasons” means complete, involuntary severance from classes as certified to and regularly treated during the period of coverage by a legally qualified medical practitioner, not related to the student.
- “DSM V” is the American Psychiatric Association’s Diagnostic and Statistical Manual.
- “Withdrawal for other than medical reasons” means complete, voluntary severance from classes for the balance of the academic year.
- “Dismissal” means complete, involuntary severance from classes by the school authorities for scholastic or disciplinary reasons for the balance of the academic year.
- “Unused yearly insured fees” means the portion of the insured fees paid or payable by the insured student/parent for the remaining time in the current school year after the student’s withdrawal or dismissal. (i.e., the prorated tuition insured from date of separation to the end of the academic year.)
- “Preschool” means any instruction, program or service rendered to students who attend early childhood, nursery or any other program for children prior to or below the kindergarten level.

## Definitions and conditions (continued)

- Medical benefit period ends immediately upon student's resumption of classes at any school or upon becoming gainfully employed.
- Under this policy coverage ceases on the last day of formal academic instruction by the school for any reason. For preschool students the last day of academic instruction will include your announcement / provision of any virtual, remote, online or similar type of education or service in lieu of education or services on the physical campus.
- Withdrawal or dismissal must result in the loss of scholastic credit at the school.

## Period of coverage

### **Coverage is effective under the Plan as follows:**

**MEDICAL:** From August 1 through the last day of the academic year.

**NON-MEDICAL / DISMISSAL:** For the entire academic year after meeting the fourteen-day attendance requirement.

**LATE-ENTERING STUDENTS** who commence classes after opening day may enroll in the Plan provided premium is paid within 10 days after starting classes.
